FOR IMMEDIATE RELEASE

REACH Aircraft Maintenance Technician Honored for 20 Years Dedication and Service

Santa Rosa, CA / August 9, 2017 – REACH Air Medical Services honored Aircraft Maintenance Technician II, William Seubert, for his 20-year commitment to safety and outstanding performance as part of its annual employee awards.

REACH President, Sean Russell recognized Seubert’s loyalty, and dedication to the organization and its mission, praising his vast experience, sound judgment, and skill. “Bill is a true asset to REACH. The experience and knowledge that he brings to our Maintenance operations are invaluable. His sound judgment and steadfast commitment to safety exemplify the spirit of our organization. I am proud to call him my colleague.”

In honor of his years of service to the organization, Seubert’s name is now inscribed on a commemorative plaque, along with the names of past honorees, and is on display at REACH headquarters in Santa Rosa. In addition to this, Seubert also received a commemorative watch in recognition of his dedication.

About REACH Air Medical Services

REACH Air Medical Services, Cal-Ore Life Flight, and CALSTAR Air Medical Services are air medical programs operated by REACH Medical Holdings, LLC, headquartered in Santa Rosa, CA. The company provides critical care air and ground transport services to communities throughout California, Oregon, Nevada, Montana, Colorado, Wyoming and Texas. REACH has provided safe, patient-centered care for more than 30 years and successfully transported more than 110,000 patients to needed care. REACH employs hundreds of highly trained nurses, medics, pilots and aircraft maintenance technicians to provide service to patients utilizing a fleet of medically equipped helicopters, airplanes, and ground ambulances. The Commission on Accreditation of Medical Transport Services has accredited REACH since 1998. CAMTS accreditation is the gold standard for patient care and safety for air medical transport services.
